

Make a Bear

Supervised Activity Session

While we are not able to provide the great 360 Children's Birthday Parties at this time, we are offering a new option for you to be able to still experience all the great content of 360 in a pre booked organised group of more than 6 persons. This means you can still come to our covid secure environment as a group.

Your activity session will be supervised from start to finish and include use of a reserved seating zone for your group while observing social distancing rules. During your activity session the children will be provided with juice, as they enjoy the activities. When you have finished your activities and its time to eat there is a choice of hot or cold individual food boxes and everyone leaves with their bear and a 360 play activity bag.

Your Make a Bear Session includes:

- 1 1/2 hours of play & 30 minutes in the session area
- 1 hour of bear making
- Exclusive session host to ensure the smooth running of your event

What you'll pay

£16.95 per child. Minimum of 10 children
15 children maximum
