DAY**

Recycle for World Book Day

Monday 10th February
From 3pm

Parent Friendly and Planet Friendly

Ahead of World Book Day on Thursday 5th March we will be hosting a costume swap session at 360 Play on Monday 10th February. Costume swapping is the most fun way to recycle! Children get new-to-them costumes and parents get to save money and do your bit for the planet at the same time.

Here is how it works!

Drop off your clean, gently used costumes to 360 Play between 20th January and 10th February and we'll give you a ticket to come back to the event on 10th February after 3pm and find a new costume.

If you already have a costume sorted but would still like to donate then all costume donations will be gratefully received.

SAVE THE
PLANET
