

# Great Birthday Parties at **360**

You can hire 360 exclusively after normal hours. It may be that extra special birthday party, or just a group looking for the exclusivity or sole use of the site. It does not have to be just a children's birthday either; why not hire out 360 for that family party where you can truly cater for all the relatives in your celebration. The party should however be child focussed, rather than just adults\*.

360 Play can offer exclusive evening hire of our fabulous facilities for up to 100 guests (adults or children). Over 100 guests a charge is made of £5.95 per person.
