

Terms and Conditions of the 360 Tesco Vouchers

Turn every £0.50 in Tesco vouchers into £1.00 to spend at 360 Play

How it works

1. Check the 360 Play website page of your chosen centre for prices (locations vary).
2. Go to the Tesco Clubcard website: <https://secure.tesco.com/clubcard/360-play/UK-009997.prd>
3. Select the amount of Clubcard vouchers you want to exchange.
We advise you only exchange to the amount you will need for one visit or pass as no change can be given.
4. Tesco will send you two emails within 30 minutes. Please note; this may take longer due to additional security checks.
5. The first email will be your Clubcard order confirmation.
The second email will contain your 360 Play voucher.
6. Print off your email clearly or show the voucher on your phone.

Please check all opening and closing times, dates and admission prices before your visit as regions vary.
