

Snowflake Craft Activity

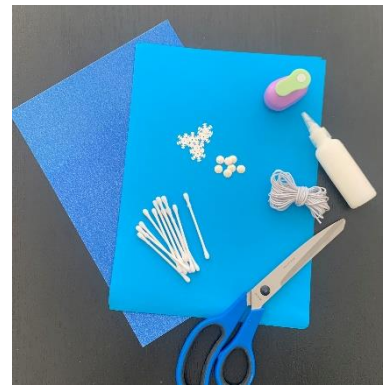

Get ready to add a touch of winter magic with this fun snowflake Christmas craft.

With a few simple materials and a bit of creativity, you can make these beautiful decorations to hang on the tree, in the window, or even send as a gift.

This easy craft is perfect for bringing festive cheer while letting their imaginations shine.

You will need:

Blue Card
Cotton Buds
PVA Glue
Scissors
Small White Pompoms or Confetti
Hole Punch
String or Twine

Instructions:

Step 1: Cut out circles from the blue card. You can draw round a lid or jar to make the circles shape.

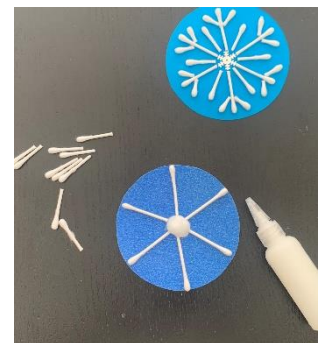

Step 2: Cut the cotton buds into pieces. You will have to cut them into different lengths depending on the design you choose for your snowflake.

Step 3: Glue a pompom or confetti to the centre of your cardboard circle.

Step 4: Lay out your cotton buds onto the circle and design your snowflake, once you are happy with your design, glue in place.

Step 5: Punch a hole into the top and tie on your string or twine.

Step 6: Your snowflakes are now ready to hang on your Christmas tree or to send a fun gift.
