

Paper Cup Basketball Craft Activity

Through this fun basketball challenge, children can continue exploring the skills introduced in our sports area, developing coordination, concentration, problem solving and confidence while enjoying active learning at home with their families.

You will need:

- 1 Paper Cup
- Scissors
- Sticky Tape
- Coloured Pencils/Pens
- String or Thread
- Ping Pong Ball
- Needle

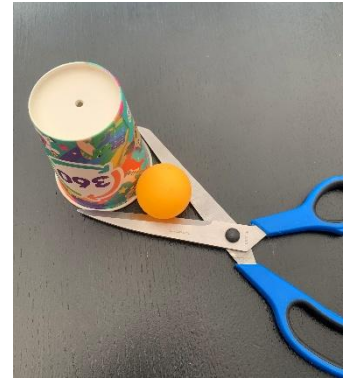

Instructions:

Step 1: Decorate the paper cup using the coloured pencils or pens.

Step 2: Next make a hole in the bottom of the paper cup and right the way through the ping pong ball.

Step 3: Thread the string through the hole in the cup, fasten with a knot and secure with a piece of sticky tape.

Step 4: Using a needle, thread the other end of the string through the ping pong ball. Secure this also with a knot.

Step 5: Now you can try and catch the ball in the cup by gently swinging the cup and ball.
